***Model:SW-1** Soundwave Digital MIDI Recorder
A single track, polyphonic MIDI recorder that is extremely easy to use that displays each note as it is played on a 7-octave keyboard display.

Suggested List Price : \$49.50

<u>Quantity</u>	<u>Price/unit</u>	<u>Discount</u>
1	\$32.18	35%
3 plus	\$29.70	40%

***Model:SW-24** Soundwave Music Printing Scribe
This program is a music notation package that translates a 24-TRAK or 8-TRAK sequencer file and displays it on screen (and on printer) in standard musical notation. The music display can be edited using the ST's keyboard as a musical typewriter.

Suggested List Price : \$299.50

<u>Quantity</u>	<u>Price/Unit</u>	<u>Discount</u>
1	\$194.68	35%
3 plus	\$179.70	40%

***Model:SW-8** 8-Trak Professional MIDI Recorder
Same features as above with 8 tracks, and slightly different editing features.

Suggested List Price : \$199.50

<u>Quantity</u>	<u>Price/unit</u>	<u>Discount</u>
1	\$129.68	35%
3 plus	\$119.70	40%

***TERMS:** 3% - 25 days.
